

Soft Mozart has a big database of musical pieces, from Nursery Songs to works of Mozart, from Tchaikovsky to contemporary pieces. With our program you can momentarily play your favorite song on the piano and learn it in a short time.

HOW TO ORDER AND BUY

You can buy a *Soft Mozart* package using a credit card in our online shop at www.softmozart.com

For **school and business licences** please contact us by phone 713-443-8984 or send e-mail to info@softmozart.com

TEACHER TRAINING

Soft Mozart consultants offer training of your personnel to work with *Soft Mozart* software independently. The training takes twelve+hours and involves an explanation of the piano teaching method and all components of the *Soft Mozart* package. Upon completion, every attendee is awarded a *Soft Mozart* certificate.
